## **VERDERERS' GRAZING SCHEME – SMALL GRANTS (*Members Paying at Forest Rate*)**

The VGS 'Small Grants' Scheme is available to VGS members who turn stock out on the Crown Lands to help them with their commoning business (The Verderers' HLS funds can not be used to support grazing outside the Scheme). The main purpose of the Small Grants Scheme is to assist commoners with improvements on their back up land to increase its usefulness/availability for back-up grazing, although other projects may be considered. Grants are limited to a maximum of £2,000 and applications may be submitted to the VGS Administrator at any time for consideration by the VGS Management Committee. Examples of projects for which the fund is available (subject to local circumstances and formal approval) are listed below:

Fencing/hedging/ditching

Provision of water

Construction/provision of animal handling facilities

Construction/provision of barns/sheds where these are otherwise not available/adequate

Other projects to support commoning business

Please use the application form overleaf.
